Aquarium Dives

In the event that you do not want to attend your scheduled Aquarium Dive session, Atlantic Edge will work to find a replacement for your spot, but ultimately you are responsible for the spot (similar to a ticket to a sporting event or concert). We keep waiting lists for all Aquarium Dive sessions and will advertise the available spot for you to find a substitute diver. In the event that we are able to find a substitute for you we charge a \$50 Administrative Fee (if you find your own substitute there is no fee).

If you are interested in finding a replacement for your spot please give us as much notice as possible. Given enough notice we are almost always able to find replacements. If you tell us the day before the dives our ability to find a replacement becomes more limited.

Requests for substitutes must be made using our online system.
